

Neo Geo Video Cable: connection instructions [Stereo with Y]

- 1) Turn off the console
- 2) Connect black (DIN) connector to Neo Geo video port
- 3) Plug white RCA connector to Video IN in the TV Set
- 4) Plug red RCA connector to black RCA jack in Y cable
- 5) Plug Red & White plugs from Y cable to Audio (L or R) IN in the TV Set
- 6) Turn TV on
- 7) Turn console on

Note 1: The 3 pin plug fits correctly in the 8 pin video port of the Neo Geo console

Note 2: The picture shows the SNK Neo Geo. Look for a similar plug in your Neo Geo console
